# EBW1 Integration Tray

Our integration tray **EBW1** can be used for all of our control panels *"Major …"*.
It allows for an easy integration of the Major into a command center desktop environment, so that the keyboard is situated evenly with the desktop's surface.

Important features:

- suited for all table-top control panels with our standard polymer housings
  (models *"Major …"*)
- robust, matt black steel plate material
- universal cavities for connection of accessories
- installation dimensions (table cut-out) (w x h x d): 250 x 230 x 65 mm
